Serving All Of Your Real Estate Needs

My husband Art and I are licensed Real Estate Brokers/Realtors working as a team who take pride in providing an exceptional real estate experience for people both selling or buying homes and investment properties in Lake Forest, Lake Bluff, Lincolnshire, Winnetka, Wilmette, the North Shore and surrounding communities. This superior and caring service results in becoming our client's trusted advisor and realtor for life and makes them want to refer those people they care about to us.

Based on my successful experience, knowledge of the industry and excellent relationship with my fellow agents, I was chosen to start up, grow and manage a new Real Estate Office in Lake Forest for Coldwell Banker Residential Brokerage for 11 years. I was also elected to serve on the board of directors for the North Shore--Barrington Board of Realtors. My knowledge of the communities and schools, that I share with my clients, is enhanced by my background as a life time resident of Lake Forest and by my active involvement in both the community and the schools.

Art and I continually improve our level of service by taking advantage of classes and seminars, learning new technology, and qualifying for new certifications. As tech savvy realtors, we strive to use the latest and most effective internet marketing to sell the homes of the sellers we represent. Because we are well respected by our peers, we are able to more successfully negotiate with them on behalf of both our buyers and sellers.

We take our clients through the process from beginning to the closing and beyond by also providing referrals to good service providers: mortgage lenders, title companies, real estate attorneys, inspectors, home stagers and others needed for a successful transaction.

Our goal is to provide such a positive experience during your real estate transaction that we will have earned your respect, trust and friendship for life.
